CRUISE

Ship

-  Want to visit multiple destinations in one trip
-  Enjoy the motion of the ocean and sea breezes
-  Love live entertainment like shows, trivia, and themed parties
-  Want to explore both the ship and ports
-  Like the idea of everything in one place - but always moving

Things to Consider...

-  Smaller rooms than resorts
-  Extra cost for excursions and other add-ons
-  Sea days = more people on deck

All Inclusive RESORT

-  Want to unpack and truly relax
-  Prefer lounging at the beach or pool all day
-  Love all-day access to food, drinks, and activities
-  Want a flexible, come-and-go vibe with no strict schedules
-  Value space, privacy, and peace in one set location

Things to Consider...

-  You'll stay in one place the entire time
-  Off property excursions usually cost extra
-  Entertainment may be more limited
